

Match 11 Lucks Lane 7th August 2022

On another very sunny and hot day the fish in Lucks Lane were in desperate need of some water as the lake was a good 2ft down on its normal level. Indeed the owner has now taken the step of closing the fishery for the foreseeable future or until there is a change in the weather and the lakes water level is replenished.

The match was evenly balanced at the lunchtime weigh in with myself, Andy and Mason within 7lb of each other. Everyone else were catching fish but not in any great numbers.

The afternoon progressed as expected with most if not all catching more that in the morning and some even had several times more in the afternoon than the morning (Ian H at half time had 2lb, by the end he had 51lb....)

At the final weigh in the winner and run away league leader Andy Williams fished another great match catching 90lb in the afternoon for a total of 136lb of pole caught carp on a variety of baits.

The fight for 2nd place was won by Mason Harvey who weighed 107lb and I was 3rd with 99lb.

In the singles there was victory for myself, Keith M, Bob E and Andy who will contest the semi final at Monks 3. Keith very much looking forward to this – I just hope he doesn't draw next to Andy.

All in all a very pleasant day spent in the company of Lee Green members - looking forward to our next venue Orchard Place Farm on Lake 6 on the 21st August.
