Match 1 Pittlands Lake C 13th March 2022

We had 12 very eager anglers for the eagerly awaited first match of the season; our first "proper" club match since Covid.

By the end we had only 6 weigh in a total of 52lbs 11ozs and a few early baths...... well done to all as it was not the best day's weather, not bad but not brilliant.

Andy Williams was a very clear winner with 2 pole caught carp in the afternoon (one of which would have won on its own) with a few skimmers and the only other carp weighed in was caught by Ian Harvey again with a few skimmers.

The roach which are normally abundant in the lake were very conspicuous by their absence and if you didn't catch any skimmers then probably you weren't going to catch at all.

Next match is at Chart on 3rd April 2022.

Please let Ross know if you are **NOT** going. If there is a "no-show" we will still be expected to pay for your peg.

Thank You
