

Match 2 Chart 3rd April 2022

We had 9 anglers for the second match of the season.

By the end we had 8 weigh in a total of 412lbs 1oz and a 1 early bath.....
well done to all as it was not the best day's weather, there had been a couple of nights that had been cold with morning frost, not bad but not brilliant for the venue.

It was a match of two halves, higher numbered pegs catching in the morning and not the afternoon, and the lower numbered pegs mainly catching in the afternoon. The main method was the feeder as a lot of anglers struggled for bites on the pole.

Ian Harvey was a clear winner from an end peg with mainly carp and a few skimmers, with Andrew Williams 2nd.

Next match is at **Orchard Place Farm Lake 5 on 10th April 2022.**

Please let Ross know if you are **NOT** going.
If there is a "no-show" we will still be expected to pay for your peg.

Thank You
