

Match 5 Arrans 21st May 2023

This was our first visit to this very prolific and popular fishery in leafy Essex this year. The weather was balmy and quite warm with little or no breeze to worry about.

Top weight for the day was again in form Terry Benson with this week over 217lb of pellet/meat caught carp some on pole in open water but mostly from under the cover of trees to his near right hand side swim.

Again, for a second week second was the young superstar Mason Harvey whose 157lb was not enough to challenge Terry, and equally upsetting was that young Mason had drawn the much fancied Peg 1 and was also Golden Peg.....

No real funnies from this match but all enjoyed the usual banter with newest member (Uncle Fester...) Bob Gaylard starting to show his skills.....

Just to remind everyone our next match is in 2 weeks time on 4th June at Woodpeckers near Gatwick..... please let myself or Ross know if you are going.

See you all then – stay safe ATB
