

Match 12 Lucks Lane, 18th August 2024

9 members out and the weather was very pleasant again with a bit of cloud cover in the morning and warm sunshine in the afternoon.

No dogs constantly barking (makes a change) and no chickens wandering around nicking anglers baits.....

No dramas this week with carp pulling poles in or any such nonsense, just the usual banter and ribbing, especially from Ben who has found his voice in the club.....

Winner on the day was me with 90lb (drew the best peg on lake....) and even managed to beat Mason in the semi-finals of the Knock-Out and win the Golden Peg....

Second was latest member Phil Stone from peg next door with 65lb of angry carp.

Third was Mason, had to mention him (won his section...) from an unfancied draw.

Also WELL DONE to him on his A Level results and on gaining entry to his preferred University to study Physics.....

In the Singles Knockout the semi finalists were –

Ben Grierson v Ross McGilvery (Ben won 42lb v 23lb)

Mason Harvey v Dave Barr (Dave won 90lb v 61lb)

Next venue is Chart one of our favourite venue which we have fished for several years, please remember to bring plenty of nets and bait.....

Anyone NOT going please let either Ross or Dave Ford know.

Thanks

ATB Dave
