

#### **Match 4 Puddledock, Road Lake, 21<sup>st</sup> April 2024**

10 anglers out on this match and again it was a close affair among the lower places.

Weather managed some blue skies and clouds, no rain but the wind was hampering presentation.

It was the first time that the club had fished this particular complex which has several lakes and a snake lake and all are well stocked with some big carp and some pretty ornamentals which several of us had a few of.

Winner on the day was guest Terry Williamson who had some very large carp in his 60lb net, and all of these were caught in the afternoon after the midday break.

Second was Mason with 41lb and third was the in-form Bob Gaylard with 34lb.

Ben drew the Golden Peg and an end peg and at half time was right up there with the leaders but for him the afternoon never took off so that is safe for another day.....

Next venue is Monk Lakes (Lake 2) on 12<sup>th</sup> May  
This is in 3 WEEKS due to bank holidays

Anyone NOT going please let either Ross or Dave Ford know. Thanks
